

2011 Citizens Academy Program Overview

The 2011 Citizens' Academy is an interactive program focused on informing citizens about the City's governmental process. Elected officials, City administration and divisions heads, along with other City staff, will host unique and informative sessions on City government operations.

The primary goal of 2011 Citizens' Academy is to provide:

- insight on how City government works
- open lines of communication between citizens and City staff
- provide information on how citizens can easily utilize the services offered by City government
- encouragement for citizens to become involved, and
- provide a realistic understanding of City Government operations.

The City of Anderson's 2011 Citizens' Academy is an eight (8) week course developed to inform residents about the City government process and the public services it provides. Sessions are once a week from 5:30 pm – 8 pm.

Applicants to the program must be City of Anderson resident, property owner, or business owner, age 18 or older, and make a personal commitment to the 8 week series of information sessions. Class size is limited to eighteen (18) participants. Curriculum is currently being developed for sessions to begin in April, 2011.

The deadline for application is March 15, 2011.
