Your Support Matters

Hello,

Everyday the children and youth of Anderson benefit from the many recreational opportunities across our city. From organized team sports leagues, to literally just a walk in the park, our City is proud of the variety and quality of recreational venues we offer.

More than 3,000 participants take advantage of the City's organized sports leagues annually, while 20,000 attend events as spectators. All learning, growing and building a sense of community.

Though the City enables these activities through public funds, it still takes more. The financial participation of citizens like you is paramount to make our programming successful.

On behalf of the City of Anderson Parks and Recreation Department, I'm pleased to present to you the opportunities for sponsorship listed in this brochure. These packages give you the opportunity to promote your business or service to the people of Anderson...and you can support the *smiles, determination, and teamwork* of our children.

Bobby Beville
*Director of Parks and Recreation
The City of Anderson*
